

## Acrobatic Gymnastics Selection Procedures Junior National Team

### I. Overview

- A. Athletes may qualify for the Junior National Team (JNT) in one of three ways:
  - i. Rank first or second under the evaluation system identified in Section III. C below;
  - ii. Be selected by the Acrobatic Gymnastics Program Committee to be on the JNT as defined in Section III. D below;
  - iii. Successfully petition onto the JNT through the process set forth in Section IV.
- B. The selection of the athletes to the JNT will be made by the Acrobatic Gymnastics Program Committee with final approval from the USA Gymnastics President.
- C. JNT selection consideration will be given to athletes competing at the Junior Elite level at the National Championships. Elites must qualify to compete at the National Championships per the Participation Requirements of Competitions, according to the *Rules and Policies* (page 26-27).
- D. Minimum and maximum age requirements for the JNT are the same as for the Junior Elite competitive level and are defined in Section 7-I of *Rules and Policies*.
- E. The composition of the JNT is determined to be a maximum of three pair/groups per event (Women's Pair, Men's Pair, Mixed Pair, Women's Group, and Men's Group). The Program Committee is not obligated to select pair/groups for all available positions.
- F. An athlete may be named to the JNT in multiple events (i.e. Men's Pair and Men's Group). However, this athlete will not receive duplicate benefits. (Note: the FIG imposes restrictions in international competition regarding participation in multiple events.)
- G. Only athletes who are United States citizens may be named to the JNT. USA Gymnastics will verify citizenship before naming the team.
- H. Positions on the JNT do not carry ranking.

### II. Qualification Process

- A. Qualification to participate in the National Championships
  - i. A pair/group that meets the requirements to participate as Junior Elite, according to the rules published in *Rules and Policies* level may compete at the National Championships.

### **III. The Junior National Team will be selected as follows:**

- A. Scores and performances from the National Championships will be reviewed.
- B. The pair/groups with the highest and second highest score per event, determined by the cumulative score from National Championships, will automatically be placed on the JNT, provided they have met the target score and target difficulty requirements defined in Section III D. If target score and/or target difficulty are not met, the pair/group is not eligible for automatic placement on the JNT, but may still be considered by the Program Committee for selection to the team.
- C. Selection for those places not filled automatically will be done according to the listed criteria:
  - i. Scores and placement from competition
    - 1. Scores and placement from the National Championships will be considered.
    - 2. Target Score – The target score is calculated using the sum of the execution average plus the artistry average less performance related CJP deductions (i.e. time faults, special requirements, minimum difficulty). The target score for three exercises is 51.0 and for five exercises the target score is 85.0.
  - ii. Difficulty of elements performed in competition
    - 1. The types of elements and difficulty of elements performed in competition at the National Championships will be considered.
    - 2. Total exercise difficulty will also be considered and compared against the target difficulty. Target difficulty is the difficulty score before CJP deductions. The target difficulty is V100 for the balance and dynamic exercises and V130 for the combined exercise.
  - iii. Artistry and presentation in exercises performed during competition
    - 1. Presentation ranking by Program Committee members for the National Championships will be considered.
    - 2. Presentation ranking criteria will include but is not limited to the artistic judging criteria listed in Section 7.5 of *Specifications*.
- D. Team obligations
  - i. Athletes who do not attend both the presentation of JNT and the USA Gymnastics JNT Meeting will not be placed on the JNT.
  - ii. Athletes selected to the JNT will remain on the team for one (1) year.
  - iii. Athletes must read and sign the USA Gymnastics Acrobatic Gymnastics JNT Funding and Support Agreement before they are officially members of the team.

#### **IV. Petitions**

Petitions to enter the National Championships if injury, illness, or unforeseen circumstances keep athletes from fully participating in the qualification process must follow the rules outlined in *Rules and Policies*, Section 8-V.

For a petition onto the JNT to be considered by the Acrobatic Gymnastics Program Committee, it must be submitted in writing to the Acrobatic Gymnastics Program Director and meet the following requirements:

1. A pair/group who fully participates in the process described above is not eligible to submit a petition.
2. A petition must be submitted to the Acrobatic Gymnastics Program Director as soon as possible after the pair/group becomes aware of the inability to participate in the process described above, but no later than the conclusion of the National Championships competition.
3. Petitions will be considered for injury, illness, or unforeseen circumstances.
  - a. The petition must state the date and nature of the injury, illness or unforeseen circumstance that prohibited the pair/group from participating in the competitive selection process.
  - b. In the case of a petition based upon injury or illness, the petition must be accompanied by a physician's statement, and the nature and extent of that injury or illness is subject to verification by a physician selected by USA Gymnastics.

Petitioning onto the JNT is subject to available slots. Pair/groups submitting petitions are considered by the Program Committee after selection decisions regarding pair/groups that have fully competed in both selection events.

#### **V. Removal**

A pair/group may be removed from the JNT if any of the members of the pair/group violate the USA Gymnastics Code of Ethics or the JNT Funding and Support Agreement. Any decision to remove an athlete is subject to review through the USA Gymnastics Grievance Procedures.

#### **VI. Approval of the Selection procedures**

These Selection Procedures have been reviewed and approved by the Acrobatic Gymnastics Program Committee and the USA Gymnastics President.

**VII. ACKNOWLEDGEMENT**

Each athlete and coach participating in the selection process for the JNT as outlined in these Selection Procedures has carefully reviewed and understands the terms of these Selection Procedures. That understanding is reflected by the signatures of the athlete and coach on a copy of these Selection Procedures.

**Signed Selected Procedures, one per pair/group, along with a copy of a birth certificate or passport for each athlete, to prove citizenship and age, must be returned to the Acrobatic Gymnastics Program Director by the designated deadline on the National Championships webpage.** Pair/groups will not be considered for selection to the JNT without signed Selection Procedures and birth certificate/passport.
